

CATETISHIST ONESMUS NYAMAI

AN EXPERIENCE IN PASTAROL MINISTRY

I started working in Christ The King Parish in 2009. We were three fulltime Catechists. In 2010 my colleague moved to other departments and I was left in charge of faith formation office. Till now I am still in charge of Faith Formation department in the Parish. I work hand in hand with the priest in the implementation of the Pastoral activities.

My Work as a Catechist

- Organizing Recollections and Seminars for (SCC) Small Christian Community and other Parish groups.
- Offering spiritual guidance and counseling.
- Preparing baptism and confirmation
- Preparation of the liturgy
- Preparing the sacrament and those to receive the sacrament.
- Formation of volunteer Catechist.
- Having spiritual lessons and teachings on faith.

Besides the coordination I attend to many people who visit my office to seek spiritual guidance especially issues related to sacramental life. Together with the volunteer Catechists, we have been able to help many people and now they are living the catholic Faith.

Well, I can say there has been gradual spiritual growth in our Parish due to commitments we have put across to reach people teaching them on a religious life.

To my experience a personal encounter with God, made many of our Parishioners to grow in faith and a prayerful life. It has been a prayerful, joyful and encouraging experience, where we see every day people seeking to have a deeper relationship with God.

I am proud to be part of Christ The King. This has made me grow both spiritually, socially, emotionally, physically and mental wise. I thank God for his blessings in my life.

In 2010 we had 37 SCG and now we have 48 SCG which is a good improvement in Faith Formation Department. This has motivated the community and Christians thus the church in the neighbourhood. We thank God for this far.

My work in the Pastoral Ministry has been a transforming experience both for me and other people that I serve and this has been a blessing to me.

CTK family is one of the loving and caring community.

This has been a true home where we share faith, challenges and feelings. Together we console, correct and encourage each other. We are always growing in Christ and the number of the Parishioners is increasing.

All these blessings are all by God of grace. We all believe in God. ***Faith is a gift of God.***

Message to the world

Faith is to believe what you do not see; the reward of this faith is to see what you believe.
